

STOP DISCRIMINATION!!!

"The Security Company" supposed to provide safety on Lowlands festival, but instead security guards abused human rights by discriminating some of the visitors based on their nationality.

A lot of people were expelled from festival terrain. The reason was that they were collecting too many cups to get money in return. Most of them were people with polish passports, dutch citizens doing the same were not bothered.

More info on:
<http://indymedia.nl/nl/2010/08/69181.shtml>

We won't tolerate discrimination towards any nationality or race!

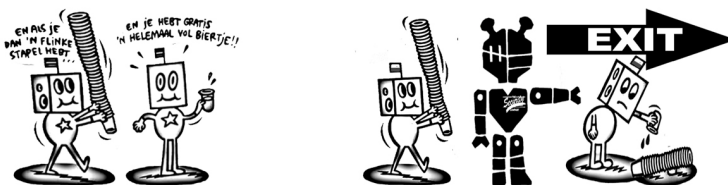

Let's meet on Friday 03.09 at 16:30 in Amstelveen.

The Security Company
Bouwerij 30 1185 XX Amstelveen
